

BIO CLEANING SOLUTIONS

Odorite™ Grime Away Wipes

A citrus-formulation for cleaning hydrocarbons (oil, petrol, diesel and grease) and grime from hands and all hard surfaces with one easy wipe

Grime on the skin is a horrible feeling, isn't it?

On your hands, arms, face, neck... Don't worry; getting rid of grime quickly and effectively is now much easier thanks to **Odorite™ Grime Away Wipes**. After using **Odorite™ Grime Away Wipes** (heavy-duty towelettes pre-moistened with a multi-purpose cleaning solution) you'll love the way that your skin feels marvelously clean, moisturised and soft.

Odorite™ Grime Away Wipes feature:

- A textured side to quickly remove grime, grease and dirt; and
- A soft side to be gentler on skin.

It's is not just grime on skin that industrial-sized Odorite™ Grime Away Wipes can completely scrub away...

Hand tools, power tools and machinery last longer if properly looked after; but that doesn't only mean utilising them for their intended purpose and then storing them away correctly afterwards; keeping equipment clean and 100% grime-free is also essential. Prior to the development of **Odorite™ Grime Away Wipes**, wiping away grime from equipment and machinery was often avoided. There simply wasn't a grime wipe on the market that made performing an effective cleaning job quick and easy. The arrival of **Odorite™ Grime Away Wipes** changed that. Now grime eradication takes half the time.

Applications:

- Skin/hands
- Soiled Work Surfaces
- Soiled Tools
- Soiled Transformers
- Soiled Equipment
- Service Vehicles
- Machinery

To quickly remove: dirt, grime, soil, grease, stains, soot, grunge, dust, scum, transformer oils, cable gels, oxide inhibitors, adhesives, caulk, lubricants, HDD pipe thread, grease, tar/asphalt, etc.

Description:

- Easy-to-use, heavy-duty wipes for general hand cleaning, such as removing oil, grease and grime

Usage:

- For use without water whilst on the move or at the work point
- Use a single wipe directly on hands
- Rub well until soiling is removed
- No need to rinse

Features and benefits:

DATA SHEET

Features

- Highly effective
- Powerful
- No need for water
- Versatile
- Pleasant fragrance
- Conditions skin
- Handy pack
- Hygienic

Benefits

- The strong fabric is impregnated with powerful, heavy duty cleansing ingredients to produce a wet wipe that efficiently and conveniently removes oil, grease and grime.
- Tough, extra-large wipes are strong and absorbent, acting quickly and effectively, leaving no sticky after-feel.
- The impregnated wipes absorb contaminants from the skin with no need for rinsing with water.
- Can be used at the work-point for quick cleansing, or on-the-move when working remotely and normal hand washing facilities are not available.
- Fragrance makes the product pleasant to use and leaves the skin smelling fresh.
- Contains a moisturiser to leave the skin soft and supple after use
- The wipes are dispensed from a handy, easy-to-use container c/w handle.
- The sealed container protects the wipes from contamination and ensures that each one is fresh when used.
