Odorite™ P-Disc

**A premium product that eliminates organics found in urinal and drain lines
 Eliminating stale urinal odours 100% naturally**

Odorite™ P-Disc is a well-designed product that will provide exceptional performance in keeping urinal systems odourless and trouble free - a must for the hygiene eco conscious person, hygiene cleaning contractor and green building owner. The product contains no harmful chemicals and no paradichloro-benzene (PDB a substance banned in most USA states since 1st January 2009).

Odorite™ P-Disc degrade and eliminate organics found in the urinal and drain lines. Regular use of **Odorite™ P-Disc** maintains a cleaner and odour-free system. It maintains effective microbe and enzyme activity in septic systems by eliminating odours caused by incomplete digestion of malodorous volatile fatty acids. Regular use of **Odorite™ P-Disc** will significantly reduce build-up of uric acid crystals in the plumbing, keeping plumbers bills to a minimum, while eliminating odour.

The friendly microbes in **Odorite™ P-Disc** will penetrate cracks, crevices and pores of surfaces where organics accumulate, actually removing the organics (VOC) to leave a visually cleaner surface. Provides long-term odour control, removing the organics that cause odours and prevents the return of odour-causing compounds.

DATA SHEET

Features

- A stable consortium of safe Bacillus spores
- Production of multiple enzymes providing a wide range of degradation capabilities
- A synergistic blend that works in concert to provide superior performance across multiple applications
- Excretion of high levels of amylase, cellulase, lipase and protease enzymes
- Ability to work under aerobic and anaerobic conditions

PRODUCT CHARACTERISTICS

- **Heavy Metals** : less than 50 ppm
- **Aflatoxins** : absent
- **Antibiotic Activity** : absent
- **E. Coli** : absent in 0.1g
- **Total Bacterial Count** : not less than $7,8 \times 10^8/g$
- **Longevity of the bio-disc** : 3300 flushes

Recommended application/feed rates:

A Ready-to-Use Products in combination with P-Disc
