

BIO CLEANING SOLUTIONS

Odorite™ Rim Block

A premium product that eliminates organics found in toilet bowls and drain lines
The ultimate odour eliminator and cleaning agent for toilets
Eliminating stale odours and cleaning, 100% naturally

Odorite™ Rim Block is an aesthetically pleasing, well-designed product that will provide exceptional performance in keeping toilets odourless and trouble free - a must for the hygiene eco conscious person, hygiene cleaning contractor and green building owner. The product contains no harmful chemicals.

Odorite™ Rim Block degrades and eliminates organics found in the toilet and drain lines. Regular use of **Odorite™ Rim Block** maintains a cleaner and odour-free system, and it maintains effective microbe and enzyme activity in septic systems by eliminating odours caused by incomplete digestion of malodorous volatile fatty acids.

The probiotics that are released during flushing will penetrate cracks, crevices and surface pores where organics accumulate, actually removing the organics to leave a visually cleaner surface. **Odorite™ Rim Block** provides long-term odour control, removing the organics that cause odours and prevents the return of odour-causing compounds.

DATA SHEET

Benefits	Features
<ul style="list-style-type: none">Cleans and deodorises with every flushReleases a concentrated fragrance with every flushFights rings and stainsSimple to use; just clip and flushSafe for plumbing and septic tanksBowl water is not toxic to children and pets	<ul style="list-style-type: none">A stable consortium of safe Bacillus sporesProduction of multiple enzymes providing a wide range of degradation capabilitiesA synergistic blend that works in concert to provide superior performance across multiple applicationsExcretion of high levels of amylase, cellulase, lipase and protease enzymesAbility to work under aerobic and anaerobic conditions

PRODUCT CHARACTERISTICS

- Bacteria Counts** : >8.4 x 10⁸ million per unit
- Fill Weight** : 40 grams
- Fragrance** : Pleasantly pine
- Flushes Per Unit** : 2000
- Longevity** : 28 days, depending on frequency of use
- Solubility** : 100%
